

Rock`n`Roll Star

A Quarter drop in the jukebox
The vinyl turn around
She close the eyes and listen
Only the rhythm and sound

Red spotlight on the white skin
Barefoot on the ground
The boys put their drinks on the table
And watch her spellbound

Move the hips and twist the hair
Feel the music in the air

Rock`n`Roll Angel, Rock`n`Roll Angel, Rock`n`Roll Angel
Rock`n`Roll Star

She dance like an angel
Like a feather in the wind
She dance like a deivel
Till the moonlight dimmed

Move the hips and twist the hair
Feel the music in the air

Rock`n`Roll Angel, Rock`n`Roll Angel, Rock`n`Roll Angel
Rock`n`Roll Star

Move the hips and twist the hair
Feel the music in the air

Rock`n`Roll Angel, Rock`n`Roll Angel, Rock`n`Roll Angel
Rock`n`Roll Star
